-- ==========
-- DBAS6211 Replacement Test 2023 - Question 3 (SQL)
-- Single MySQL script answering Q.3.1 to Q.3.4
-- ==========
-- Q.3.1.1 Create the schema and the newspaper table
-- FIX: Line 2 originally read "USING news editors;".
-- USING is not a valid statement for selecting a database,
-- so it was changed to USE, and the space in "news editors"
-- was removed so the name matches the schema created on
-- line 1 (newseditors).
CREATE SCHEMA newseditors;
USE newseditors;
CREATE TABLE newspaper (
  newspaperid INT AUTO_INCREMENT NOT NULL PRIMARY KEY,
  name VARCHAR(225) NOT NULL
);
-- Q.3.1.2 Change the name column to 255 characters
-- (new statement, the original CREATE TABLE is left unchanged)
ALTER TABLE newspaper
